Why Shred?

What are the benefits of shredding?

Reduce liability by complying with privacy laws. Eliminate in-house shredding costs by reducing head count and freeing up valuable office space.

Environmentally friendly. Each ton of recycled paper will save 17 trees, 7000 gallons of water, 50 pounds of air pollution, 4000 kilowatts of electricity and 3 cubic yards of landfill.

Shredding is **COST EFFECTIVE** and **SECURE!**
